Thanks Kirsten.

Besides posting a **blind curve sign** on PV East and lowering the speed to 30MPH consistent with the speed limit at RPV on PV East, Please add the following:

The NO RIGHT TURN ON RED sign on PV North turning onto PV East should allow turn on weekends (Saturday and Sunday RIGHT TURN ON RED allowed).

Thank you for your kind attention.

Sincerely,

Carl R. Wagreich, D.P.M., D.A.B.F.A.S.
