Neighbor

To Whom It May Concern,

The owners at 3554 Lariat Lane, Mark and Deborah Song are proposing a 1,039 sf addition to the rear and the side on both floors of their existing two story home. There will be a formal neighborhood notification notice that will be sent out by the city regarding this project but we wanted to reach out to the closest neighbors regarding this project so there will not be any surprises and to ultimately gain your support.

The construction will abide by the city's construction hours and since the house is already a two story home and the expansion is towards the side that's already lined with tall trees, it poses no view restrictions to neighboring properties.

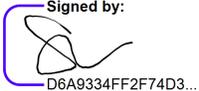

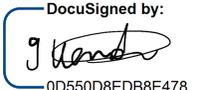

If it's not too much to ask, please contact the architect, Reiko Michlig or Mark and Deborah by Sunday, 2/22 if you would like to discuss the project further.

Sincerely,

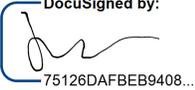

Reiko Michlig, Architect
